

# Cheering Champion Volunteer

## Role description

HELPING  
OUR HOSPITALS  
DO MORE

Our runners fundraise for our hospitals. We need your help to ensure they receive the biggest and loudest cheers on race day for their tremendous hard work and fundraising efforts!

Volunteer role: Cheering Champion

Volunteer manager: Fundraising Team

Where you will be based: Royal Parks Half Marathon

### Why we want you:

We're looking for a small team of enthusiastic supporters to give our fundraising runners the biggest and loudest cheers!

### What will I be doing?

- Cheering on our awesome runners!
- Welcoming our runners' families and friends to join in at the cheer point
- Helping us to set up our cheer station with our banners, bunting and flags
- Helping to raise the visibility of Imperial Health Charity to the public at the event.

### What skills do I need?

- Helpful and friendly, with the ability to use your own initiative
- Happy to be on your feet for a few hours
- Comfortable spending time in crowds and surrounded by boisterous noise
- Flexibility – we may ask you carry out a variety of ad hoc event-related tasks
- Enthusiastic – we need people who have a positive attitude and want to ensure the event's success
- An interest in Imperial Health Charity's work.

### Time commitment:

Approx. 9.00am to 12.30pm on Sunday 8 October.

### What's in it for you:

- A fun and fulfilling opportunity to give back to your local community as well as use and develop your skills
- A chance to meet and socialise with other volunteers, fellow supporters and fundraisers.
- A welcome pack containing relevant information to ensure you can volunteer safely on the day.
- An official volunteer uniform to wear whilst volunteering.
- A dedicated point of contact in our charity fundraising team who will brief you on the day, explain how the event will run and be on hand to support you.
- Reimbursement for your travel expenses in line with our charity Volunteering policy.
- An insight into how our charity works and how your support helps to make a difference to staff and patients across our hospitals.
- Volunteer Core Training and ongoing role-specific guidance, support and training
